Summer Party Time!

July 21, 2013 4:00 - 7:00 PM

Our annual summer party has been rescheduled from June to July. Austin Skiers & Boarders will provide BBQ and beverages. Club members are asked to bring a dish to share.

Last year the menu was a little out of balance. We didn't have enough side dishes and we had too much ice. This year we're going to use our event planning system to try and get a better balance of appetizers, side dishes, salads and desserts to compliment the BBQ. Here's how it will work:

- Club members can register for one of the five summer party event entries listed on the home page or in the events section of the web site. Each one is for a different dish category...side dish or salad, dessert or appetizer, and something else for all other things people may want to bring.
- There are 20 registration opportunities in each of the five categories.
- Pick the category that matches what you want to bring, or the one with the fewest registered members so far that still has space.
- The system will give you a chance to let us know what you plan to bring. We'll try to monitor the list so everyone doesn't bring the same thing. (I don't think we want 20 pasta salads!)
- The system will also ask if you can come early or stay late to help set up or clean up.
- If we have more than 100 people register, we can expand the limits on each category. Our goal is a balanced menu, not to limit participation.
- The party location will be sent to club members who register in a confirmation email.
- If you have questions, contact the VP of Communications, Vicki Leonardo at communications@austinskiers.org or Phil Maersch, VP of Programs at programs@austinskiers.org.
